

HILLEL ACADEMY
GRADE 12 HOMEWORK POLICY
2009-2010

GUIDELINES

- Homework is regarded as an integral part of the instructional programme and the satisfactory completion of all homework tasks is mandatory.
- **In addition to any written homework, all students are required to read independently every day and to set aside time for independent study and revision.** Grade 12 students have entered the final phase of their high school education. They must become self-disciplined in their private study as an essential preparation for their years of higher education
- Students should keep a Homework Book in which each homework task must be recorded. Against each task should be written the date by which the work is due. Completed homework must be given directly to the teacher concerned.

HOMEWORK SCHEDULE

Homework for specific subjects will be given on the days indicated below. Teachers will indicate the due date for submission of homework and students should record this date in their Homework Books. On average, an IB student will have to complete about 2-3 hours of homework each night. This may be inclusive of time preparing for classes the following day.

WHAT HAPPENS IF HOMEWORK IS NOT COMPLETED ON TIME?

Incomplete home work is a sign that the responsibilities of IB programme are not understood. Both parents and students will be made aware of the danger of this situation in uncertain terms.
